

Cardiac Cath Laboratory GUIDED TRAINING

Undergraduate Training Program

Introduction

King Faisal Specialist Hospital and Research Centre (KFSH&RC) offers a diverse array of training programs to support the development of healthcare professionals. The Undergraduate Training Programs include Internship Training Programs, Practicum Training Programs, Transition to Practice Programs and Summer Training Programs, providing comprehensive clinical experience to undergraduate students.

Overview of Internship Training Programs

The Internship Training Program is a form of experiential learning that integrates knowledge learned in the classroom with practical application and skills development in a professional setting. Also, designed for non-medical interns, who enrolled in academic institutions. The aim of these programs is to provide interns with fundamental and essential practical skills.

Internship Program:

Cardiac Cath Laboratory Guided Training

Program Overview:

The Cardiac Catheter Laboratory is committed to training interns to provide the highest quality of non-invasive cardiac procedures at King Faisal Specialist Hospital and Research Centre (KFSH&RC) in a highly specialized patient-centered hospital environment. Cardiac Cath Laboratory is the focal point for diagnostic tests and treatment procedures including ablation, angiogram, angioplasty and implantation of pacemakers / ICDs.

Program Objectives:

By the end of the training, participants will:

- Explain the fundamentals of cardiac physiology
- Recognize the structure of the heart and its anatomy
- Establish rapport with staff and develop good work ethics
- Perform diagnostic cardiac imaging and handle related equipment
- Acquire clinical skills proficiency

Acceptance Criteria:

- Internship request letter from Intern's sponsor
- Saudi national or born from Saudi mother only
- Graduate from Bachelor's Degree on the same field
- Currently enrolled in a recognized Cardiovascular Technology or Equivalent Program
- GPA (minimum 3.5)
- Valid English Qualification eg. IELTS (minimum score 4.5 overall or equivalent)
