About Us

The **Education and Training Center (ETC)** is a modern, state-of-the-art facility dedicated to fostering learning, training, and development. Our versatile spaces are designed to meet the needs of individuals and organizations for a variety of activities, including leadership programs, technology-based training, and professional development.

Our Facilities Include:

- **Classrooms:** Flexible and multi-functional spaces located on the second floor, accommodating 10 to 20 participants. These are equipped to support various group sizes, with some featuring movable partitions for added flexibility.
- **Computer Labs:** Cutting-edge labs located on the first and second floors, with capacities of 10–12 participants, ideal for technology-driven sessions.
- **Executive Education Hall:** A premium space on the second floor, designed for leadership programs and high-level training, with a seating capacity of 27 participants.

Why Choose ETC?

- **Convenience:** Easy-to-book spaces via Outlook Calendar.
- **Flexibility:** Extended hours for special events.
- **Support:**
 - Dedicated audiovisual and housekeeping services to ensure a seamless experience.
 - **Food and Hospitality Services:**
 - **Catering Services:** While we do not directly manage catering, we are happy to recommend trusted vendors who can meet your event's specific needs.
 - **On-Site Dining:** Our on-site food and drinks outlet offers tailored packages designed to enhance your event experience.
 - **Coffee Spot:** Relax and recharge at our cozy coffee corner, conveniently located within the center to serve your daily refreshment needs.
